Holiday Rates

Dec 23, 2023 – Jan 1, 2024 and Martin Luther King Jr. & Presidents Day weekend.

******NO student tickets or student lessons are offered during holidays******

Students who show their student club membership card at the ticket window at time of purchase will receive a **\$10 discount** off their lift ticket. There is no discount on rentals. While student lessons are not available during this time other lessons (private, group, exc.) are available through our ski school.

Club Members

Membership cards are only to be purchased from a sponsor, through a school club. A club needs to have 20 participating students. **Student members must be at least 7 years old.** Each student needs to purchase a membership card to belong to your club and get the discount. Each membership card comes with lesson tickets attached. Ski cards have 2 lessons, snowboard card has 1 lesson. Even if they have acquired all patches the previous year they need to purchase a card to be a current year member. The card allows them to purchase a student lift ticket at the reduced price. Membership cards are given out to the sponsors on a consignment basis and students must purchase them from the sponsor. Cards are not sold at the ticket office. Sponsors should end new members joining their club & stop sales on cards the 2nd week in February and begin closing out student card accounts with the office. Accounts need to be closed out at the ticket office by March 1.

Adult GROUP ID Card

The Adult group ID card gives parents and U6 siblings the opportunity to ski with the student member as a family at a reduced rate on club night only. **This is the same rate as the students, \$30 Lift tickets & \$30 ski & snowboard Rental. Ski club night is the only time this discount is available to the parents. Parents must purchase their membership card from their school's club sponsor; Parents must show their card at the ticket window to purchase tickets & rentals on club night. Sponsors must fill out all information on the each card they sell for card to be valid.**

Please READ Rules have changed-

New this year, parent and U6 tickets are purchased at the ticket window on club night. Group discount card must be shown at time of purchase at the window to get the discount. Card must be completely filled out to be valid. U6 tickets are ½ off window prices or \$30, whichever is less. ½ off Mon – Thursday window prices: AA ticket \$27 and Beginner \$23.50

The group ID card has 10 \$5 off punches for cardholder to use at ticket window on a non-club night to receive \$5 off regular rates.

Patch Program

Our lesson program is a progressive patch grading system. Patches are purchased for each level passed. Each patch must be visible to our ski lift operators to enforce the patch program. . *The entire patch set must be visible, not just the highest patch attained.* Lessons are 50 minutes and start at 5pm or 6pm. Lesson request can be made by contacting Kurt at our ski school in advance at 248-634-3249. Please inform your students to stand in line at the flag corresponding to the color patch they are trying to earn and have their lesson ticket ready. A patch is not earned on the 1st lesson. If a parent purchases an AA lift ticket

and their child has a student ticket that student must stay in the area their patch allows. The ski school, ski patrol and lift operators all police our hills in order to make certain students are on the hills corresponding to their patches.

Food

Commercial food/carry out from restaurants is not allowed. We are a licensed food establishment and it is against health department rules to bring outside commercial food into the building. The Café fireplace area is our designated area for brown bag lunches, never in the lower main Slope Side café. If you would like to order Pizza's for your group, please see Brad in our main Café.

SPONSOR PROCEDURES

Prior to first visit:

Meeting Day, time & Area

School clubs meet Monday – Friday 3pm-close. School groups gather in the fireplace room of our Slope Side café (main cafeteria) to distribute all items and collect monies from your group. Our 3rd level Top of the Mountain room is available on Friday nights only. Have extra ticket wires so tickets can be put on promptly. A school sign on your table helps students and parents to identify you. Please inform your group of the times you will be there selling tickets. Have a **membership roster** including all emergency contact and medical information for all your members on you at all times when your club is here. Contact ski patrol and give them your contact information so they can reach you in case one of your students has an injury and is in the ski patrol building.

Rental disclaimers: This is a yearly form that all students who rent equipment must complete and have signed by a parent or guardian. Sponsors should have a disclaimer for every student renting.

Call, fax or email the ticket office prior to your first visit of your order. Include the amount of student lift tickets and ski & snowboard rentals. Please try to estimate as close as possible on your ticket count. If you need to add tickets to your order, more are available on club night at the ticket office.

Please allow a reasonable amount of time for the office to put your order together. After the 1st visit you will take the next visit's packet with you in advance.

If your club needs to cancel a nightly meeting please give a courtesy call to the ticket office alerting them of this. It's helpful to pass this information on to parents & students looking for your club and to our ski school & other departments.

Day of Visit:

Free Ski & Snowboard Corral & Lockers

Please remind all students to never leave their equipment unattended, not even for a second. This is a **FREE** service! Please use it & check your equipment. Lockers are available for 75 cents. **Mt Holly is not responsible for lost or stolen items left unattended.**

Check In: Upon arrival each week check in on the sign in sheet at the ticket office so we know your club has arrived. Make sure your departure call times are accurate so our staff can assist with the appropriate announcements

Check out: Please close out your weekly invoice with the ticket office by 7pm. Please be organized and bring all unsold items and payment to complete this process and pick-up your next week's packet. If you are a charge account it is still essential to close out your invoice to submit to the school's accounting office for an accurate amount owed.

Complimentary compensation

The **Main Sponsor** will receive a family pass after the club of at least **25 students** has had **two consecutive** ski trips of 25 students and has paid for 25 student cards. **Before any complimentary passes are picked up a payment for at least 25 student cards must be paid on your school account.** The **Co-sponsor** will be eligible for a **single pass** if the club has over 50 students and has made two trips of 50 students and has paid for 50 student cards.

Sponsors that don't qualify for a season pass:

Under 25 student members: Sponsor will be given one complimentary lift ticket for each **ten student tickets sold**.

Bus groups with Chaperones will receive:

Chaperone tickets: 25 – 45 students- 1 ticket over 45 students- 2 tickets

We appreciate all your efforts in making this program a success. Lessons help students improve their skills and confidence while having fun on the slopes. Each patch is earned with pride. If you have any questions or concerns, please don't hesitate to call us. Thank you for your contribution to this program. With your help we look forward to another great season!!

Deb Walker & the Ticket Office Staff
